

**NOTICE OF APPLICATION FOR CHANGE TO VIPA'S ELIGIBILITY RULES -  
REGULATION 121(4) FAIR WORK (REGISTERED ORGANISATIONS) REGULATIONS 2009**

On 20 October 2015 VIPA lodged a Form 68 Application for consent to the alteration of eligibility rules of an organization with the Fair Work Commission.

The proposed amendments will allow the President, Vice President, Secretary or Treasurer of VIPA to remain eligible for membership notwithstanding that he or she is no longer employed by a Virgin Australia Group Entity. In accordance with Rule 31 of VIPA's Rules, a meeting of the Committee of Management was called on 9 October 2015 and a resolution was passed, approving the proposed alterations.

The purpose of the proposed amendments is to avoid the break in continuity and the need to call an election to fill a vacancy when an officer of VIPA is no longer employed by such an entity.
